

AROS MARINE

S H I P I N T E R I O R

I have these giant
cruise ships that have
to be outfitted as
soon as possible. I
wonder where can I
find a reliable
company to do this?

Aros Marine focuses on:

Ship interior
HVAC systems
Electrical installation
Marine furniture
Design

Engineering
Weight solutions
Lean management and
cost reduction solutions

What's Aros Marine?

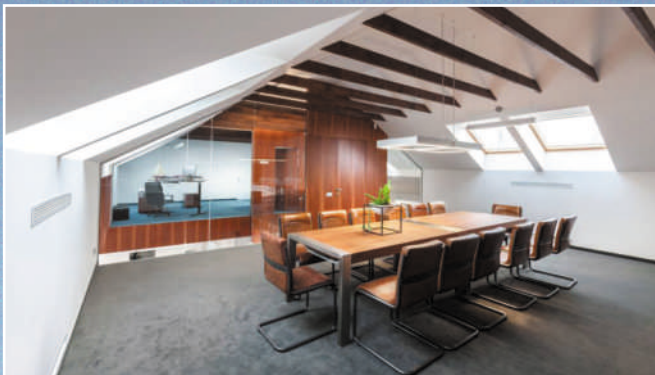

Aros in numbers

More than 50 new building projects delivered, more than 300 vessels equipped, 800 employees worldwide, thousands of passenger cabins refurbished annually.

Guiding star
